

SOLAR FOR THE SPACE COAST

Wednesday, August 24, 6:30 pm

Florida Solar Energy Center, 1679 Clearlake Road, Cocoa

**Are you considering solar panels on your rooftop? Interested in reducing the installation price?
This is an evening for you!**

The League of Women Voters - Space Coast will present a program on residential solar energy introducing FL SUN (Florida Solar United Neighborhoods). FL SUN's goal is to expand rooftop solar by making it more affordable through group purchasing power while at the same time building a community of solar supporters to strengthen Florida's solar policies. A panel of solar energy experts that will make brief presentations and answer audience questions.
