NORTH MERRITT ISLAND HOMEOWNERS ASSOCIATION
Presents
A CANDIDATE FORUM
FOR
DISTRICT 2 COUNTY COMMISSIONER
DISTRICT 5 PORT AUTHORITY
DISTRICT 2 SCHOOL BOARD

Merritt Island, FL – The North Merritt Island Homeowners Association will host a 2018 Candidate Forum for the Brevard County District 2 Commission, District 5 Port Authority and District 2 School Board races. This event is free and open to the public and is scheduled for Monday, October 15, from 6:00 p.m. to 7:30 p.m. at the Calvary Chapel Merritt Island, located at 3500 N. Courtenay Pkwy.

The Candidate forum provides an important opportunity to hear each candidate’s position on the County’s top priorities. There will be a question and answer period moderated by community leaders, as well as questions from the audience.

“It’s a critical time in our community and this election is pivotal in determining how we handle our priorities going forward. The North Merritt Island Homeowners Association is focused on the restoration of the Indian River lagoon, drainage, roads, quality education, and the County, Port and School Boards ability to maintain and improve our quality of life in the face of a projected financial deficit in the coming years. We know from the business community that deferring maintenance is not acceptable anymore – status quo isn’t enough – so there are critical decisions on the horizon that will determine the County, Port and School Boards short-term and long-term success. This Forum will allow us to ask those questions and more. We encourage the community to attend and submit questions at the event. Let’s walk away from the Forum with a better understanding of how our candidates are going to address our community priorities in District 2 and all of Brevard County,” says Jack Ratterman, North Merritt Island Homeowners President.
